

Internship for NPLM Team - Manufacturing TM

หน้าที่ความรับผิดชอบในงานของคุณ

If you are still a student, you can find the opportunity to develop yourself in a professional environment in our Electronics Manufacturing Plant!

New Product Manager Internships are entry-level positions designed to train future product managers, offering rotation across product teams, mentorship and involvement in product discovery, strategy and launch.

Key Internship Responsibilities:

- Preparation of PowerPoint presentations;
- Work with MS Excel;
- Offering support for NPLM team members;

A mentor will support you to stepwise take over own responsibility after an initial training phase which will familiarize you with our products, tools, processes and

organization.

โปรไฟล์ของคุณ

- Be enrolled in Technical University (Mechanics, Electronics);
- **Be available for full-time working schedule (8 hours/ day);**
- Have English & Microsoft Office skills;
- Be organized, with attention to details;
- Be responsive to the given feedback and make changes as required;
- Be willing to learn new information.

ข้อเสนอของเรา

Ești pregătit să faci următorul pas în carieră? Nu oricine poate construi viitorul mobilității. Tu poți! **Alătură-te AUMOVIO. Own What's Next.**

เกี่ยวกับเรา

AUMOVIO continuă activitatea fostului sector Automotive al grupului Continental ca o companie independentă, odată cu desprinderea oficială planificată pentru septembrie 2025. Compania de tehnologie și sisteme electronice oferă un portofoliu extins care face mobilitatea sigură, captivantă, conectată și autonomă. Acesta include soluții de senzori, soluții de afișaj, sisteme de frânare și confort, precum și expertiză cuprinzătoare în software, platforme de arhitectură și sisteme de asistență pentru vehicule definite prin software. În anul fiscal 2024, ariile de afaceri care aparțin acum AUMOVIO au generat vânzări de 19,6
