

Compliance Officer EMEA (m/f/d)

Jūsų užduotys

As a member of the AUMOVIO Compliance & Security team, the Compliance Officer EMEA will support the effective operation of the Compliance Management System in the Compliance core areas (Business Ethics, Anti-Money Laundering, Antitrust and Privacy & AI Compliance), providing guidance and operational compliance support to local business units, while closely collaborating with global functions.

The position is based in Timisoara and on site.

Main responsibilities are:

- Provide advice within the compliance core areas
- Give practical guidance on regulatory developments affecting business operations in regional context.
- Act as contact point, provide operational support and advise managers and staff of the companies in scope on compliance and data practices internally and in connection with risk situations
- Conduct in-person and virtual training for various groups of employees
- Support communication and awareness of compliance topics across the organization.
- Monitor legal and regulatory updates across EMEA and other regions.
- Identify and assess potential areas of compliance risk.
- Work with Business Management to avoid compliance failures and keep leaders informed about relevant changes.
- Support implementation and localization of AUMOVIO's Compliance Management System in EMEA
- Ensure consistency of compliance measures across countries and adapt to local requirements.

Apie mus

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
