Rólunk

AUMOVIO continuă activitatea fostului sector Automotive al grupului Continental ca o companie independentă, odată cu desprinderea oficială planificată pentru septembrie 2025. Compania de tehnologie și sisteme electronice oferă un portofoliu extins care face mobilitatea sigură, captivantă, conectată și autonomă. Acesta include soluții de senzori, soluții de afișaj, sisteme de frânare și confort, precum și expertiză cuprinzătoare în software, platforme de arhitectură și sisteme de asistență pentru vehicule definite prin software. În anul fiscal 2024, ariile de afaceri care aparțin acum AUMOVIO au generat vânzări de 19,6 miliarde de euro. Compania are sediul central în Frankfurt, Germania și aproximativ 87.000 de angajați în peste 100 de locații din întreaga lume.
