

HR Business Partner (Plant 299)

Feladatok

HR Business Partner – Manufacturing Environment

Salary from 1930 eur gross. Final salary depends on the applicant's experience and skills.

Become a trusted partner to production and functional managers, helping them achieve business targets through effective people management. You will support workforce planning, organizational changes, talent development, performance management, employee relations, and leadership coaching. Working closely with HR experts and operational teams, you will translate business needs into practical HR solutions, drive key HR initiatives, and ensure compliance with labor legislation and company policies. We are looking for a proactive, business-minded HR professional who enjoys solving challenges, building strong relationships, and delivering measurable results in a dynamic manufacturing environment.

Your impact: stronger leaders, engaged employees, sustainable workforce capability, and business success.

Rólunk

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
