About us

Po odštěpení v září 2025 bude společnost AUMOVIO pokračovat v aktivitách původní Automotive divize skupiny Continental jako samostatná společnost. Společnost vyrábějící technologie a elektroniku nabízí široké portfolio pro bezpečnou, atraktivní, propojenou a autonomní mobilitu. To zahrnuje řešení pro senzory, displeje, brzdové systémy a systémy pro pohodlí pasažérů a také komplexní specializované znalosti softwaru, architektonických platforem a asistenčních systémů pro softwarově definovaná vozidla. Ve fiskálním roce 2024 dosáhly tržby v oblastech, které nyní spadají pod společnost AUMOVIO, celkových 19,6 miliardy eur. Společnost sídlí v německém Frankfurtu a zaměstnává přibližně 87 tisíc lidí na více než 100 místech po celém světě.
