

Mandatory Internship - Global Sales Office

Your tasks

We are looking for a student (m/f/diverse) in our Global Sales Office from **September 2026 for at least 6 months** at our location in **Lindau (Germany)**.

- Analyze global sales and business data using Microsoft Excel and Power BI to develop interactive dashboards, reports, and management presentations
- Support data-driven decision-making through regular and ad-hoc analyses for sales planning, forecasting, and strategic initiatives
- Identify opportunities to improve efficiency within Global Sales Office processes and support the development of automation concepts
- Leverage Microsoft 365 tools, Copilot, Power Platform, and AI-based solutions to explore innovative approaches for improving business processes
- Explore innovative approaches such as AI agents and "Vibe Coding" to improve business processes within company policy framework
- Coordinate planning, organization, and follow-up of global sales meetings, including preparation of materials and documentation of key outcomes

Your profile

You are wondering whether you are a good fit for the Mandatory Internship - Global Sales Office? Here are some key qualifications, we are looking for:

- You are currently enrolled in a Bachelor's or Master's degree in one of the following or related fields: Business Intelligence, or Data Science, Industrial Engineering, Information Systems, or Computer Science, Digital Business Management or Economics or a similar field of study
- Advanced knowledge of Microsoft Excel and PowerPoint
- Experience with Power BI and data visualization
- First experience with data analysis and reporting concepts
- Ability to work with AI tools like Microsoft Copilot, or internal tools preferable
- Fluent english language skills (written and spoken) are absolutely essential for us

In addition to these technical qualifications, we are also looking for certain characteristics and abilities:

- Strong analytical and problem-solving mindset and structured working style
- Interest in digitalization, automation, and AI technologies

Please remember to upload your **current certificate of enrollment**, your **current transcript of records**, and an **excerpt from your study regulations confirming the requirement for a mandatory internship**, as these documents are essential for processing your application.

Ready to take your career to the next level? The future of mobility isn't just anyone's job. Make it yours! **Join AUMOVIO. Own What's Next.**

About us

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
