

SAP BASIS Senior Consultant

Vos activités

About the Role:

We are seeking a skilled and motivated **SAP BASIS Administrator** with a minimum of 5 years of applied experience in SAP system administration. This role is ideal for someone who thrives in a dynamic environment and is passionate about delivering high-quality technical solutions within SAP landscapes.

- Possess skills and adequate understanding of SAP Basis administration / business requirements & challenges & must be able to translate them into IT functional solutions.
- Perform transport management tasks and system health checks.
- Collaborate with functional teams to understand business requirements
- Support topics on interfaces, audits, authorizations, periodic system maintenance, system refresh, system release upgrades and output management.
- Must be able to introduce, implement, train and support new technologies that would address changing business needs..(ex. Greenfield/Brownfield projects, SAP upgrade, system copies and Interfaces).
- Facilitate and ensure the implementation and support of completed IT projects employing tools that would efficiently meet required timing and resolution of topics.
- Flexibility to work on implementation/upgrade/support activities based on the requirement. With proven analytical skills and systematic problem solving.

A propos de nous

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
