

Employee Communication & Events Intern

Jūsų užduotys

Would you like to get a behind-the-scenes look at internal communications in an international company and actively help shape how employees are informed, connected, and engaged? Then you've come to the right place!

For our global **Internal Communications team**, we are looking for a **student intern (m/f/diverse)**. With us, you will gain exciting insights into corporate communications and take on your own responsibilities and projects from day one.

In this role, you will:

- Support the design and continuous development of our intranet and other internal communication channels.
- Assist with the planning, creation, and maintenance of content for our employee app, **myAUMOVIO**.
- Support the creation of newsletters and other communication formats.
- Research topics, conduct interviews, and write articles and stories in English.
- Work closely with different functions and business areas, gaining insights into various parts of the company.
- Support the analysis of communication activities and, together with the team, identify opportunities for improvement.
- Create graphic elements and presentations for internal communication initiatives.
- Independently manage smaller projects and actively contribute your own ideas.
- Assist in the preparation, execution, and follow-up of internal events for employees and management.
- Support the team with organizational and administrative tasks.

Reikalavimai

Are you wondering whether an internship in **Employee Communication & Events** is the right fit for you? Here are some of the key qualifications we are looking for:

- You are currently studying Communications, Media Studies, Marketing, Social Sciences, Psychology, or a comparable field of study.
- Initial experience with content management systems (CMS) is an advantage.
- Knowledge of image or video editing is a plus.
- You are confident using standard Microsoft Office applications.
- You have a strong interest in communications, storytelling, and working in an international corporate environment.
- You have good written and spoken English skills (German is a plus).

Apie mus

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
