

AI Data Engineer Intern

Your tasks

At Aumovio, we are creating the next generation of software solutions to power safety-critical systems and enable autonomous driving features in new vehicles around the globe. We are working towards Vision Zero, a goal to eliminate thousands of fatal accidents happening every day on the world's roads. Our aim is to develop cutting edge techniques that sense and understand the vehicle environment.

We are looking for creative minds who are passionate to shape the future of autonomous driving and to bring world class perception solutions into our camera and radar products.

About us

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
