

Foreign Trade Analyst

Jūsų užduotys

We are seeking a highly experienced **Senior Foreign Trade Analyst** to coordinate complex import and export operations, ensuring compliance with customs regulations, company policies, and global supply chain requirements.

This position requires a hands-on professional capable of managing end-to-end international trade activities, collaborating with cross-functional stakeholders, and serving as a key subject matter expert within the Foreign Trade function.

Advanced experience with OSGT is mandatory and will be considered a critical qualification for this role.

Reikalavimai

Bachelor's Degree in Foreign Trade, Business Administration, Logistics, International Relations, or a related field.

Solid experience managing import and export operations in a manufacturing or industrial environment.

Strong knowledge of Brazilian customs regulations, import/export procedures, and customs clearance processes.

Advanced knowledge of tariff classification (NCM/HS Code), taxation, and international trade documentation.

Strong SAP experience.

Advanced experience with OSGT (mandatory requirement).

Advanced Microsoft Excel skills.

Advanced or fluent English, with the ability to communicate effectively with global suppliers, customers, and corporate stakeholders.
