

Manufacturing Engineering Intern-Summer 2027

Tvoji zadaci

POSITION SUMMARY

AUMOVIO is seeking a Manufacturing Engineering Intern to join our team for Summer 2027 at our automotive manufacturing facility in New Braunfels, Texas. This internship provides an excellent opportunity to gain hands-on experience in a fast-paced manufacturing environment while developing a broad understanding of Engineering. The Manufacturing Engineering Internship position is a developmental role to gain practical experience in the Production environment and support the needs of the Final Assembly Industrial Engineering department.

This internship is a full-time, on-site opportunity designed to provide meaningful learning experiences and professional development. **This internship position is scheduled to last 12 weeks in length from May 17, 2027-August 6, 2027.**

RESPONSIBILITIES

- Collect cycle time information, formulate, and implement improvement ideas in production area and in Logistics (Warehouse) operations.
- Implement LEAN concepts to the Production and Part Delivery Systems (e-Kanban, Pull Systems, One Piece flow, etc).
- Support improvement activities for daily OEE, FPY, Scrap and other KPIs.
- Develop and document process procedures for new products/processes.
- Identify critical process parameters and assist in improving the capability of the process to assure adherence to these requirements.
- Document spare parts and determine min/max to support MTTR and downtime reduction.
- Assist in successful implementation of new products by supporting engineering team in documentation and qualification of new processes/products.
- Support other Engineering duties and projects as assigned.

WHY YOU SHOULD APPLY

- Gain hands-on experience across multiple Engineering disciplines.
- Work alongside experienced Engineering professionals in a global manufacturing organization.
- Contribute to meaningful business and Engineering initiatives.
- Build your professional network and gain valuable career experience.
- Experience working for a global industry leader.
- Holiday pay/Paid Time Off

O nama

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87,000 employees in more than 100 locations worldwide.
