

IT_Information Security Advisor

Vaše náplň práce

The ISA:

- Works in close cooperation with all relevant local departments as well as with the Regional Security Manager (ISM).
- Participates regularly in local management meetings.
- Participates annually in a regional InfoSec Workshop organized by the ISM.
- Supports all related local projects in order to ensure InfoSec conformity.
- In the event of substantial deficiencies or severe incidents endangering the security of company information, the ISA must inform and escalate accordingly to relevant policies.

Support responsible management in the appointed location(s):

- Drive and monitor the implementation and usage of the existing ISMS (Information Security Management System) according to policies and guidelines as well as to business and customer requirements (e.g. ISO 27001, 8th European Directive, BSI).
- Conduct and ensure regular trainings, provision of information and advice of all employees, managers and third parties.
- Drive the appropriate classification of company proprietary information and adequate handling
- Conduct or support risk management activities (i.e. risk assessments, business impact analysis).
- Monitor the development and maintenance of local emergency- and contingency plans.
- Advise in all local aspects of identity- and authorization management.
- Drive secure collaboration and integration of business partners.
- Drive, track, and report detection and remediation of vulnerabilities.
- Monitor and control the effectiveness of InfoSec projects and implemented measures.

O nás

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
