

Head of Cluster Video Multimedia (AM CSV)

Your tasks

We are looking for an experienced Head of Cluster Video Multimedia (AM CSV) to join our Team

- **Product Roadmap Development:** Create and maintain a strategic product roadmap that aligns with company goals and market needs
- **Customer Acquisition:** Develop and implement effective strategies to attract and retain customers, ensuring sustainable growth and strong market presence
- **Customer Projects:** Lead and oversee customer projects from inception to successful completion, focusing on timely delivery and ensuring high levels of customer satisfaction
- **Product Management:** Manage the entire product management process, including product development, launch, and lifecycle management, ensuring products meet market expectations
- **P&L Responsibility:** Monitor and manage the product's financial performance to ensure profitability and cost-effectiveness, while maintaining long-term business success

Your profile

- University degree in business administration, marketing, engineering, or a related field. (A Master's degree in a relevant field is a plus.)
- Several years experience in product management and customer acquisition
- Strong project management skills with a track record of successful project delivery
- Excellent strategic thinking and problem-solving abilities
- Ability to manage financial aspects of product management, including P&L responsibility
- Verbal and written language fluency in English required
