

Financial Reporting - Internal Control System

Your tasks

Responsibilities:

- Ensure compliance with internal control requirements across global financial reporting processes
- Design, implement, and monitor internal controls to mitigate financial reporting risks.
- Coordinate and support internal and external audits, including documentation and remediation of control deficiencies.
- Collaborate with cross-functional teams to assess and improve control effectiveness.
- Conduct risk assessments and support the development of risk-based control strategies.
- Maintain and update internal control documentation in line with regulatory and corporate standards.
- Provide training and guidance to process owners on internal control requirements and best practices.
- Support the preparation of financial statements in accordance with IFRS/local GAAP.
- Drive continuous improvement initiatives in financial reporting and control processes.
- Monitor changes in regulations and accounting standards to ensure timely adaptation of controls.
- Assist in the development and implementation of global ICS policies and procedures.
- Report key control metrics and findings to senior management and stakeholders.

Your profile

Qualifications:

- Bachelor's or Master's degree in Finance, Accounting, Business Administration, or a related field.
- Long-term experience in financial reporting, internal controls, or audit (Big Four experience is a plus)
- Solid knowledge of internal control frameworks (e.g., COSO, SOX) and financial reporting standards (IFRS/local GAAP).
- Strong analytical and problem-solving skills with attention to detail.
- Proficiency in MS Office, especially Excel; experience with SAP or other ERP systems is an advantage.
- Excellent communication skills in English.
- Ability to work independently and collaboratively in a global, cross-functional environment.
- Possibility to occasional travel (international).
- High level of integrity, accountability, and a proactive mindset.

About us

Continental's Automotive group sector is expected to be listed as independent company "AUMOVIO" in September 2025. With ~93,000 employees worldwide and annual sales of ~€20 billion, we are entering an exciting new era.

AUMOVIO stands for highly developed electronic products and modern mobility solutions. In addition to its strong market position with innovative sensor solutions, displays, and technologically leading braking and comfort systems, AUMOVIO has significant expertise in software, architecture platforms and assistance systems for the rapidly growing future market of software-defined and autonomous vehicles. Our purpose is clear: to make future mobility safe, exciting, connected, and autonomous.
