

Senior Security Analyst for Security Operations Center - IT (TM)

Responsabilități

Join our growing international security team as an analyst (m/f/diverse) in our Security Operations Center (SOC/CDC).

Being on the frontline, shaping the development of our cyber defense, detecting and responding to cyber attacks as they happen.

Your tasks include the following responsibilities:

- Analyzing of EDR/SIEM/security incidents/cyber attacks
- Creation and review of CDC playbooks and SIEM use cases and their automation (SOAR)
- Handling of incident response
- Implementing threat intelligence
- Conducting IT-forensic and malware analysis
- Acting as interface to IT emergency management and other IT instances
- Building Dashboards
- Management Reporting
- Working in projects.

Cerințe

- Academic degree in information technology, or comparable qualification
- Several years of professional experience in information technology with focus in threat intelligence concepts (IOC/IOA) / security analysis / implementation of preventive cybersecurity measures
- Good knowledge in ATT&CK MITRE TTP
- Knowledge about and understanding the 'pyramid of pain' and 'cyber kill chain'
- Knowledge in operating systems and event log analysis as well as protocols and network traffic analysis
- Knowledge about cybersecurity concepts, architectures, solutions
- Very good handling of MS Office software
- Business fluent English language skills written and spoken
- Interpersonal and intercultural skills
- Good (self-)organizational skills as well as ability to work with different stakeholders
- Experienced in project management.

Despre noi

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
