

Environmental Safety & Health (ESH) Internship

Vaše náplň práce

The Environmental Safety & Health (ESH) Internship is an opportunity to support a 200,000 square foot automotive parts manufacturing facility of approximately 400 employees located in New Braunfels, Texas. This \$110 million investment location manufactures Advanced Driver Assistance Systems for automated and assisted driving. The Environmental Safety & Health Internship position is a developmental role to gain practical experience in the ESH function and support the needs of the department in a 24/7 manufacturing plant. In this capacity, the ESH Intern will contribute to successful operations for the location. This position is scheduled to last 12 weeks in length from May 18, 2026 - August 7, 2026.
