

Category Purchaser for Advanced Technologies & Innovation

Your tasks

HOW YOU WILL MAKE AN IMPACT

As a Category Purchaser for Advanced Technologies & Innovation, you will play a key role in shaping the future of Aumovio by developing and managing a supplier base for emerging technologies and business models. This role requires a strategic thinker with a pioneering mindset, capable of navigating uncharted markets and building supplier relationships from the ground up.

THE POSITION

Category Purchaser Advanced Technologies and Innovation

Core Responsibilities:

- Identify and onboard suppliers for emerging technologies and non-traditional markets.
- Evaluate and adapt to new business models (e.g., platform-based, subscription)
- Establish supplier panels for technologies not yet standardized within the organization.
- Act as a bridge between innovation teams and procurement to ensure early supplier involvement.
- Consider technology readiness levels and align sourcing strategies accordingly.
- Support risk management in volatile or immature markets.
- Develop and drive implementation of supplier and material strategies in alignment with business area requirements.
- Conduct market and supplier analyses to identify trends, risks, and opportunities.
- Lead global price and contract negotiations, ensuring legally binding agreements.
- Drive sourcing processes in cross-functional teams, including supplier

About us

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
