

Operational Purchaser with German - Internship (Iasi)

Your tasks

Do you want to be an Operational Purchaser Intern with German? You will assist the team with:

- Processing order confirmations accurately and on time;
- Communicating with suppliers and internal customers regarding delivery schedules and order confirmations;
- Supporting supplier research and market surveys for new or existing goods and services;
- Assisting in the creation and maintenance of internal catalogs;
- Preparing standard reports to support purchasing performance tracking;
- Creating vendor request forms and supporting the onboarding of new suppliers;
- Engaging with cross-functional teams across departments and regions.

We are looking for new colleagues willing to work and learn in a friendly environment within a young and motivated team. The desired schedule will be 6h or 8h/day (30h or 40h/week).

Your profile

You can be a perfect match for our team if you have:

- Fluency in German and English;
- Enrolled in a relevant Bachelor's or Master's degree program (one in Economics is an advantage);
- Good understanding of the business process;
- Eagerness to develop and learn more about the purchasing department;
- Good negotiation and communication skills;
- Good Excel and PowerPoint skills;
- Availability for onsite work.

A mentor will support you to gradually take over your own responsibilities after an initial training phase, which will familiarize you with our products, tools, processes, and organization.

Our offer

What we offer:

- Annual bonus;
- Meal tickets - With a value of 35 Ron;
- Flexible working time;
- Cross-Border Mobile Work in the EU according to internal regulations;
- Relocation Package for non-Iasi Residents;
- Referral bonuses - We encourage colleagues to refer new candidates

About us

Continental's Automotive group sector is expected to be listed as independent company "AUMOVIO" in September 2025. With ~93,000 employees worldwide and annual sales of ~€20 billion, we are entering an exciting new era.

AUMOVIO stands for highly developed electronic products and modern mobility solutions. In addition to its strong market position with innovative sensor solutions, displays, and technologically leading braking and comfort systems, AUMOVIO has significant expertise in software, architecture platforms and assistance systems for the rapidly growing future market of software-defined and autonomous vehicles. Our purpose is clear: to make future mobility safe, exciting, connected, and autonomous.
