

Fall 2025-Training Systems Internship

Tus actividades

The Training Systems Intern is a developmental role to gain practical experience to provide support an automotive manufacturing plant in New Braunfels, Texas. The \$110 million facility manufactures Advanced Driver Assistance Systems for automated and assisted driving.

We are seeking a motivated and detail-oriented **Training Systems Intern** to support the implementation of training record management in a fast-paced manufacturing environment. This role blends administrative precision with digital content creation and systems support, offering hands-on experience with Learning Management Systems (LMS) and training operations.

Duration: 12 Weeks

Schedule: 24 Hours/Week

Department: Human Relations

Reports To: Head of Human Relations

Key Responsibilities:

- **Systems Support**
 - Create training groups and courses within LMS.
 - Upload and manage class training history within the LMS.
 - Create and upload training packages in LMS.
 - Assist with LMS troubleshooting and user support.
 - Utilize content management systems and digital tools to optimize training delivery.
- **Training Records Management**
 - Enter employee training records in the LMS.
 - Audit and verify documentation for completeness and compliance.
 - Assist in organizing and archiving historical training data.
- **Content Development**
 - Create and format digital training materials (e.g., presentations, infographics, videos).
 - Ensure content aligns with instructional and branding standards.
 - Collaborate with HR, Environmental, Safety & Health, and other cross functional teams to gather subject matter and feedback.

Tu perfil

- Sophomore standing or above at an accredited college or university.
- Minimum GPA of 2.8 or higher.
- Strong attention to detail and organizational skills.
- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint).
- Excellent written and verbal communication skills.
- Ability to work independently and manage time effectively.
- Legal authorization to work in the U.S. is required. We will not sponsor individuals for employment visas, now or in the future, for this job opening.
