

Director Joint Venture Management / M&A (m/f/d) - Executive - REF4085K

Your tasks

We are looking for you as a Director Joint Venture Management / M&A (m/f/diverse) to support our area Finance and Controlling at the Headquarter in Frankfurt.

Core Responsibilities

- Lead the overall financial management of the AUMOVIO Group's joint ventures (affiliates, associates and participations)
- Develop and execute strategies to maximize value, synergies, and long-term returns from joint ventures
- Serve as the primary point of contact with JV boards, management teams, and external partners
- Support negotiations of new joint ventures, amendments, extensions, financing events or exits

Financial Perspective

- Oversee financial performance of joint ventures, including budgeting, forecasting, capital allocation, and dividend management
- Monitor and analyze JV performance against business plans, KPIs, and contractual obligations and identify improvements and risk mitigation strategies
- Identify and execute exit strategies for non-strategic joint ventures

Stakeholder & Relationship Management

- Build and maintain strong, collaborative relationships with JV partners, regulators, and internal stakeholders
- Manage communications between the AUMOVIO Group and joint ventures

Governance Perspective

- Ensure JV governance structures, policies, and practices comply with contractual, legal, and regulatory obligations and establish best practices for JV governance and performance management
- Represent AUMOVIO Group on JV boards, committees, or management teams as needed

Your profile

About us

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
