

## Material Planning Specialist

### あなたの仕事内容

#### What We Expect From You:

- Ensure material availability in line with production plans
- Handle supplier-related issues as the first level of escalation
- Track and manage incoming goods
- Monitor inventory levels and ensure smooth material flow
- Manage quantity and logistics claims with suppliers
- Maintain shortage and material coverage lists, and oversee blocked stock status
- Perform administrative tasks related to production and material movements

### あなたのプロフィール

#### We Are Looking for You If:

- You hold a university degree in economics (a focus on logistics is an advantage)
- You have 1-2 years of relevant experience in logistics or material planning
- You possess strong English communication skills (negotiation level)
- You are proficient in MS Office applications
- You have a flexible yet decisive attitude
- You demonstrate excellent communication and problem-solving skills
- You are proactive, dynamic, and have an agile mindset

### オファー

Ready to take your career to the next level? The future of mobility isn't just anyone's job. Make it yours! **Join AUMOVIO. Own What's Next.**

### 会社概要

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
