

Praktikum - Marketing AUMOVIO Robotic Solutions - REF4212C

Your tasks

To actively support our Marketing and Sales team in Frankfurt, we are looking for an intern (m/f/d) for a period of at least 6 months, starting in January 2026, who will support us actively and with full commitment.

Your tasks include:

- Development and implementation of marketing campaigns (website, social media, newsletter)
- Design and active management of our online communication
- Organization and support of events
- Creation of marketing materials (presentations, product videos, graphics, etc.) using Adobe Creative Cloud
- Conducting and analyzing market research and surveys
- Researching content and writing original articles and posts

Your profile

- Strong interest in social media trends and online communication
- Confident use of Adobe Creative Cloud tools (e.g. Photoshop, Illustrator, InDesign, Premiere Pro)
- Creativity and a good sense for design and storytelling
- Reliable, proactive, and able to work independently in a talented and highly motivated team
- Genuine interest in both strategic and operational marketing topics
- Very good English and German language skills

Before you submit your application, there are a few things you should keep in mind: We need your **current enrollment certificate** and your **latest transcript of records**. Additionally, if applicable, we require a confirmation from your university regarding the completion of a mandatory internship in order to process your application.

If you are **not** from an EU country, please also send us your **valid residence permit and your work permit including a supplementary sheet**.

Applications from severely disabled people are welcome.

Our offer

Diversity, Inclusion &

Belonging are important to us and make our company strong and successful. We offer equal opportunities to everyone - regardless of age, gender, nationality, cultural background, disability, religion, ideology or sexual orientation.

About us

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
