

2026 C.DRIVE Trainee

Vos activités

During your 24-months (8+8+8) traineeship, you will work on different project assignments in different Business Areas and Functions or locations, which will enhance your functional knowledge and soft skills.

Assignments on business areas will help you to get a broad insight into the organization from different perspectives. You will get to know core elements of work within our different departments and will as well notice the departments' commitment for the development of young and talented employees.

You will experience how our departments cooperate and collaborate together throughout the AUMOVIO group and you will have the chance to contribute to current value adding sales tasks and projects – guided by experienced colleagues, experts and mentors.

Votre profil

Education

- Excellent Bachelor or Master degree
- Fluent English (additional language beneficial)

Practical Experience

- At least 6 months of practical experience internships or projects in an industrial related working field is preferred
- Fresh graduates or max 2 years of working experience in respective functions

Notre offre

Ready to take your career to the next level? The future of mobility isn't just anyone's job. Make it yours! **Join AUMOVIO. Own What's Next.**

A propos de nous

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
