Acerca de nosotros

Since its spin-off in September 2025, AUMOVIO has continued the business of the former Automotive division of the Continental Group as an independent company. The technology and electronics company offers a broad portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, brake and comfort systems, as well as extensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In fiscal 2024, the business areas now belonging to AUMOVIO generated sales of €19.6 billion. The company is headquartered in Frankfurt, Germany, and has around 87,000 employees at more than 100 locations worldwide.
