

Procurement & Executive Support Specialist

Your tasks

HOW YOU WILL MAKE AN IMPACT

The Procurement Coordinator & Communication Specialist is responsible to support the North America Non-Production Material (NPM) Purchasing organization. This includes administrative activities as assigned, analytical support, as well as proposing solutions to observed problems. They will cultivate and maintain relationships with intra-organizational and external contacts. Additionally, this person will provide administrative support for the Head of NPM North America and assist with departmental coordination activities as necessary.

THE RESPONSIBILITIES

- Global scorecard support in tracking of NPM KPI information, data and interpretation including analyzing correlations, risks and highlighting areas needing attention and improvement.
- Additional Purchasing tasks including, but not limited to, managing Purchasing requests, negotiations, ad-hoc reporting/analysis, audits.
- Coordinate and assist in preparing presentations for internal management meetings and workshops.
- Design, refine, and deliver professional presentations, ensuring clarity, impact, and alignment with corporate standards.
- Key contact to management of personnel.
- Demonstrate exemplary customer service.
- Administration of calendar, travel coordination, submitting and reviewing expense reports for Head of NPM North America.
- Provide support on various activities, such as incoming calls for Head of NPM North America, tracking of trainings, obtaining contract signatures, maintaining group intranet site.
- Support digitalization of processes and documentation to improve efficiency, transparency, and accessibility of departmental information.

Your profile

WHAT YOU BRING TO THE ROLE

- Bachelor's degree in business administration, Communication, Supply Chain or related discipline
- Minimum 2 years of office/administrative support
- Knowledge of MS Office tools.
- Strong verbal and written skills.
- Affinity for cooperation with people and intercultural competencies.
- **Excellent communication and presentation skills, with proven ability to create and deliver professional presentation materials.**
- Ability to work under pressure, driving execution.
- Ability to identify areas of improvement and take initiative to propose solutions.

About us

The Company

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
