

ANS_S4_Local PM

Your tasks

We are seeking a talented and experienced Local Project Manager (PM) to join our team in Yokohama, Japan. As a Local PM, you will be responsible for planning, executing, and closing projects while ensuring they are delivered on time, within scope, and within budget. You will work closely with cross-functional teams and stakeholders to drive project success in our Yokohama office.

- Develop and maintain project plans, schedules, and budgets for local initiatives
- Lead and motivate project teams to achieve objectives and meet deadlines
- Communicate project status, risks, and issues to stakeholders at all levels
- Manage project resources, including team members and vendors
- Conduct risk assessments and develop mitigation strategies
- Ensure project deliverables meet quality standards and client expectations
- Facilitate meetings and workshops to drive project progress
- Collaborate with other departments to align project goals with organizational objectives
- Adapt project management methodologies to suit local business practices and culture
- Monitor project performance using appropriate tools and techniques
- Prepare and present project reports and documentation

Our offer

Ready to take your career to the next level? The future of mobility isn't just anyone's job. Make it yours! **Join AUMOVIO. Own What's Next.**

About us

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
