

Environmental Safety & Health Associate

Náplň práce

HOW YOU WILL MAKE AN IMPACT

We are seeking a highly motivated Environmental Safety & Health Associate to join our team in Auburn Hills, Michigan. In this role, you will be responsible for supporting the implementation and maintenance of our environmental, safety, and health programs to ensure compliance with regulations and promote a safe work environment.

- Assist in implementing and maintaining environmental, health, and safety policies and procedures
- Conduct regular safety inspections and audits to identify potential hazards and areas for improvement
- Provide EHS training to employees, conduct regular safety talks with employees and supervisors
- Monitor and evaluate workplace environments for compliance with OSHA standards and other relevant regulations
- Monitor and ensure timely completion of corrective actions
- Maintain Safety Data including SDSs, Contact Lists
- Manage safety data, injury reports and provide regular ESH reporting
- Prepare and submit required environmental and safety reports to regulatory agencies
- Collaborate with various departments to implement EHS initiatives and best practices
- Assist in managing waste disposal and environmental compliance programs
- Stay up-to-date with changes in EHS regulations and industry standards
- Support the development and maintenance of safety management systems

O nás

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-

ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide
