

Maintenance Manager - Grade 11

Vaše náplň práce

We are seeking an experienced **Maintenance Manager** with a strong background in **machining and assembly processes** to lead our maintenance team. This role is responsible for ensuring the reliability, efficiency, and safety of all production equipment and facilities, while driving continuous improvement initiatives.

- Develop and implement **preventive and predictive maintenance programs** for machining and assembly equipment.
- Supervise and coordinate the activities of the maintenance team, ensuring compliance with safety and quality standards.
- Diagnose and resolve mechanical, electrical, and hydraulic issues in production machinery.
- Collaborate with production and engineering teams to optimize equipment performance and reduce operational costs.
- Ensure compliance with **health, safety, and environmental regulations**.
- Prepare and manage the maintenance budget, reporting KPIs and performance metrics to senior management.
- Lead continuous improvement projects focused on reliability and efficiency.

O nás

Desde a sua separação em setembro de 2025, a AUMOVIO dá continuidade aos negócios do antigo setor Automotivo do grupo Continental como uma empresa independente. A empresa de tecnologia e eletrônica oferece um amplo portfólio que torna a mobilidade segura, emocionante, conectada e autônoma. Isso inclui soluções de sensores, displays, sistemas de frenagem e conforto, bem como ampla expertise em software, plataformas de arquitetura e sistemas de assistência para

veículos definidos por software. No ano fiscal de 2024, as áreas de negócios que agora pertencem à AUMOVIO geraram vendas de 19,6 bilhões de euros. A empresa está sediada em Frankfurt, Alemanha, e tem cerca de 87.000 funcionários em mais de 100 locais em todo o mundo.
