

Foreign Trade Analyst

담당 업무

Execute import and export operations, ensuring legal compliance, logistical efficiency, and cost optimization, acting as a strategic link between the company and the international market.

- Plan, monitor, and execute **import and export processes** for products, raw materials, or services.
- Prepare, review, and control **customs documentation** (invoices, packing lists, certificates of origin, licenses).
- Negotiate with **suppliers, international clients, freight forwarders, and customs brokers**.
- Coordinate **international logistics** (sea, air, and road), ensuring deadlines and cargo integrity.
- Monitor **logistical and tax costs**, proposing improvements and cost reductions.
- Ensure **compliance with national and international regulations** (Customs, health authorities, trade agreements).
- Use systems such as **Siscomex** and ERP platforms for foreign trade management.
- Track **global market trends** and identify commercial opportunities.
- Use systems such as **Siscomex, ONESOURCE Global Trade (OSGT)** and ERP platforms for foreign trade management.
- Support audits and prepare management reports for leadership.

지원자 프로필

- Degree in **Foreign Trade, Business Administration, International Relations**, or related fields.
- Knowledge of **customs legislation, special regimes, tariff classification, and foreign exchange operations**.
- Expertise in **import/export processes and international logistics**.
- Proficiency in **foreign trade systems** (Siscomex, ERP).
- Advanced English (Spanish is a plus).
- Intermediate/advanced Excel skills.
- AEO(Authorized Economic Operator), Drawback, Duimp and Ex-Tariff knowledge
