

Manager Investor Relations (m/f/diverse) - REF5333Z

Your tasks

As a Manager Investor Relations (m/f/diverse), you serve as the central interface between the company and the capital market. You help to communicate the company's value perspective and strengthen trust among investors and analysts.

Communication with Investors and Analysts:

- Maintain and expand relationships with existing and potential investors.
- Organize and conduct conferences, analyst meetings, and roadshows.
- Respond to inquiries and prepare presentations for investors and financial analysts.

Preparation of Financial Reports:

- Prepare regular corporate and financial reports (e.g., quarterly, half-year, and annual reports).
- Ensure that financial reporting complies with regulatory requirements and is transparent as well as consistent with the corporate strategy.
- Support the preparation of annual financial statements and the communication of financial key figures.

Market and Competitor Analysis:

- Monitor and analyze financial markets and relevant sectors.
- Prepare market and competitor analyses to support strategic decision-making.
- Monitor share price developments and identify market trends.

Strategic Consulting:

- Advise management and the executive board on capital market strategy.
- Develop and implement investor relations strategies to promote the company's image in the capital market and the public.
- Communicate proactively about corporate developments, financial figures, and strategic decisions.

About us

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
