

Manager - China Digital Transformation

담당 업무

Define the strategy for the digitalization of the manufacturing for China production plants

Strategy needs to be aligned to the AUMOVIO global Digital Transformation (DT) strategy and goals and with internal partners like Business Areas and IT

Create strategic plans for the implementation of the digitalization in manufacturing and SCM for AUMOVIO China

Resource allocation to the different initiatives and projects regarding budget, personnel and technology

Organize best-practice sharing/Yokoten and scaling of Digitalization achievements across China plants

Define and regularly calibrate the priorities for Digital Transformation China cross-Plant community

Managing the project portfolio of manufacturing & SCM digitalization in China for max. synergies to be achieved in China context

Define and control Digitalization in China Operations (Dig. OPs) & SCM yearly budget

Drive Lessons Learned within China Dig. OPs Network and China Competence Centers

Continuously track and review the success of the implementation acc. the strategic goals and make adjustment as needed to stay on track

Initiate and monitor innovation programs for scouting and evaluation of new technology and innovation

Steer the cross-China Plant Dig. OPs / SCM community (e.g. for common roadmap & priority understanding, regular exchange/gatherings)

Be the China representative towards Global A DT team for bi-directional max. efficient regular exchange

Work location: Shanghai/Changchun/Wuhu Plant

Ready to take your career to the next level? The future of mobility isn't just anyone's job. Make it yours! **Join AUMOVIO. Own What's Next.**

기업 소개

At AUMOVIO, we own what we do: Developing and producing hardware, software, and services that shape the future of mobility. But what truly sets us apart are our people. People who thrive in our winning culture, driven by bold ideas. People who take a leap and create meaningful difference—together. Because we believe that the future belongs to those who own it. That's why we foster a culture where you own every step of the way.

Own your career, your growth, your skills, and your impact. Join us and own what's next.
