

Senior Privacy Compliance Officer (m/f/d) - REF5947E

Vaše náplň práce

As a member of the central AUMOVIO Privacy & AI Compliance team, the Privacy Compliance Officer (m/f/diverse) supports the Privacy Compliance Management System and AI Governance of AUMOVIO globally.

You will primarily be responsible for supporting business and central functions with operationalizing privacy legal and regulatory requirements into business processes and for ensuring Aumovio conducts business in a compliant way in the countries where it operates.

Main responsibilities are:

- Support the Head of Privacy and AI Compliance with the design and implementation of the Privacy Compliance Management System
- Identifying and assessing data protection risks and handling complex projects with a privacy impact; collaborating with the Works Councils to clear such projects
- Ensuring cross-border data transfers are compliant with applicable laws and regulations
- Reviewing contracts with third parties and ensuring privacy compliance and vendor risk management
- Advising on privacy compliance matters and assisting with conducting DPIAs, TIAs, LIAs and other impact assessments
- Communicating with Data Protection Authorities
- Supporting with documenting data processing in the central RoPA
- Drafting data privacy policies, procedures and notices and supporting in the management of data subject requests
- Coordinating privacy compliance implementation and coherence with the regions
- Supporting the prevention, monitoring, and reporting of data breaches and other incidents
- Assisting in the preparation for data protection audits and controls
- Raising privacy awareness and providing trainings on privacy compliance matters.

Váš profil

- Academic Degree in Law (preferred) or Business Administration or IT or comparable education
- Additional certification in data compliance and/or AI governance is a plus
- Longterm professional experience in privacy, ideally in an international company
- Sound knowledge of the GDPR and the German Federal Data Protection Act (BDSG)
- Expertise in managing complex privacy compliance projects; DPO experience is a strong asset

O nás

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
