

Working Student (m/f/d) – Controlling Excellence - REF6075X

Vos activités

We are looking for a passionate working student (m/f/d) to support the controlling excellence, starting immediately.

- **Communication & Coordination:** Support internal communication and alignment with various stakeholders.
- **Workshop Management:** Prepare and follow up on workshops, including creating presentations and documentation.
- **Presentation Development:** Create and design presentations for internal and external meetings.
- **Analysis & Reporting:** Perform data analyses, prepare key figures, and assist in report creation.
- **Project Work:** Contribute to projects aimed at process optimization and digitalization in controlling.

Votre profil

- Enrolled student (m/f/d) in a business-related field (e.g., Business Administration, Finance, Controlling, Business Informatics).
- Strong skills in MS Office (especially Excel and PowerPoint).
- **Preferred:** Knowledge of **Power BI** or **Power Query** and initial experience with **AI tools**.
- Analytical thinking, structured working style, and high level of initiative.
- Strong communication skills and ability to work in a team.
- Initial experience in controlling or project management is a plus, but not required.

Before submitting your application, please make sure to include the following documents:

- Your current certificate of enrollment
- Your latest transcript of records

If you are not from the EU, please also provide:

- A valid residence permit
- A work permit, including the supplementary sheet

Applications from people with severe disabilities are welcome.
