

(Senior) Associate Venture Capital (m/f/diverse) - REF6545K

Vaše náplň práce

We are seeking a highly motivated (Senior) Associate to join our Venture Capital arm in Munich, Germany (remote work possible). As a key member of our investment team, you will play a crucial role in identifying, evaluating, and executing investment opportunities in technology startups.

- Conducting comprehensive due diligence on potential investment opportunities, including financial analysis, market research, and competitive landscape assessment, supported by junior team members/ interns
- Deal execution on a global level, including legal documentation, funding coordination, and closing
- Building and maintaining financial models to support investment decisions and portfolio company valuations
- Providing strategic insights to senior investment management and contributing to investment thesis development
- Sharing knowledge to junior team members, contributing to their professional growth
- Playing a key role in shaping the firm's investment strategy and thesis
- Supporting portfolio companies post-investment, including strategic guidance and being involved in selected supervisory or advisory boards as board observer (when possible)
- Cultivating relationships with entrepreneurs, industry experts, and other investors to source new opportunities and gather market intelligence
