

## Senior Manager/ Chief Manager - IR & Admin

หน้าที่ความรับผิดชอบในงานของคุณ

### A. Industrial Relations & Employee Engagement

- Maintain peaceful and productive Industrial Relations across plant operations, ensuring no loss of man-hours due to disputes or breakdown of communication.
- Build and maintain excellent relationships with internal and external stakeholders to ensure smooth plant functioning.
- Lead and participate in Long-Term Wage Settlements (LTWS) and coordinate effectively with the Works Committee.
- Facilitate healthy agreements between management and employees through proactive negotiation and communication.
- Organize structured communication channels to keep blue-collar employees motivated and aligned with company goals.

### B. HR Budgeting & Cost Management

- Operate within the HR & Welfare budget, ensuring optimal utilization of resources.
- Initiate and implement cost-reduction measures through rationalization of manpower, systems, and processes.
- Conduct industry benchmarking for IR and HR practices to ensure competitiveness.

### C. Manpower Planning & Talent Development

- Assist Head-HR in implementing annual and long-term manpower rationalization plans in alignment with business volumes and new technologies.
- Support multiskilling initiatives and workforce optimization for productivity enhancement.
- Organize Training & Development programs for blue-collar employees as per the annual plan and maintain records, evaluations, and training budgets.
- Facilitate continuous improvement in talent development on the shopfloor, supporting skill-building frameworks.

### D. HR Operations & Strategic Support

- Support the Head-HR in formulating HR strategy, planning, and developing accurate HR analytics and database.
- Promote company culture across plant employees through respect, protocol adherence, and reinforcing company values.
- Contribute to achieving Quality Certification objectives by adhering to HR procedures and documentation.

### E. Statutory Compliance, Health & Safety

- Ensure full compliance with Industrial Laws, including the Factories Act (1948) and applicable State Rules.
