

# Senior HR Location Specialist

## Tus actividades

We are looking for a **hands-on, business-savvy Senior HR Location Specialist** who acts as a trusted partner to the HR Lead and plays a key role in **shaping the local HR agenda**. This position combines strong on-site operational ownership with strategic HR involvement – ideal for a senior HR professional who enjoys being close to employees, supporting leaders, and driving impactful people initiatives across the organization.

## Key Responsibilities

### Daily Location HR Operations

- Serve as a main HR contact for all on site employees.
- Manage day to day HR matters and ad hoc employee requests.
- Maintain strong employee communication and foster a positive local HR experience

### Strategic & Advisory Support

- Act as the deputy to the HR Lead; support strategic HR planning and execution.
- Drive location level adaptation of global, country, and BU HR initiatives.
- Partner with managers to improve organizational effectiveness and employee experience.

### HR Governance & Improvement

- Ensure HR documentation and processes meet legal and company standards.
- Identify opportunities to improve HR tools, processes, and reporting.
- Support change management and continuous improvement projects.

### Compensation & Benefits

- Coordinate and manage annual salary review cycles and annual bonus process.
- Oversee and maintain job architecture and job evaluation systems.
- Manage local benefit programs and propose improvements.
- Support transparency and internal equity initiatives.
- Ensure accurate data, documentation, and compliance with local regulations.

## Tu perfil

### What We're Looking For

- Solid, senior generalist HR background, ideally in a multinational environment.
- Proactive communication with leadership, confident presence, and effective stakeholder management.

## Acerca de nosotros

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
