

Specialist - Financial Consolidation and Reporting (m/f/diverse) - REF73004X

Ihre Aufgaben

We are driving a major transformation: transitioning from SAP BCS to SAP Group Reporting as part of our future standalone automotive sector strategy. As a **Specialist Financial Consolidation and Reporting (m/f/diverse)**, you will lead this change, ensuring a smooth migration and continuous improvement of global consolidation and reporting processes. This role combines **technical expertise, project management,** and **strategic influence** in a dynamic international environment.

- **Transition Leadership:** Managing the migration from SAP BCS to SAP Group Reporting, including planning, execution, and stakeholder alignment
- **Project Management:** Leading the transition project, monitoring timelines, budgets and deliverables
- **System Development:** Ensuring functionality and continuous enhancement of SAP Group Reporting
- **Stakeholder Coordination:** Consulting departments globally and managing cross-functional collaboration
- **Solution Design:** Translating business requirements into IT concepts and overseeing implementation
- **Process Optimization:** Analyzing and resolving issues, continuously improving reporting processes
- **Training & Support:** Providing knowledge transfer and conducting international training sessions

Ihr Profil

- Academic degree in Business Informatics or comparable qualification
- Strong expertise in SAP Group Reporting and SAP BCS
- Experience with SAP S/4HANA and integration with SAP Analytics Cloud is an advantage
- Proven track record in project management for system transitions or finance IT projects
- Knowledge of financial consolidation processes and IFRS
- Business fluent English language skills (written and spoken), good German language skills desirable
- Excellent communication and stakeholder management
- Analytical and problem-solving mindset

Applications from severely handicapped people are welcome.

Über uns

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
