

Mandatory Internship - International Sales, Commercial & Special Vehicles - REF7418Q

Your tasks

For the Marketing and Sales department at the Villingen-Schwenningen site, we are looking for a student (m/f/d) for a **mandatory internship of 6 months**, starting in **early September 2026** for the winter semester.

A combination of a voluntary and a mandatory internship is possible.

The mandatory portion must be at least **12 weeks**.

The position is mainly **on-site in Villingen-Schwenningen**. Remote work is possible upon agreement.

Join us, become part of **Aumovio**, and benefit from our **Villingen Internship Program (VIP)**.

Do you want to do more than just make presentations look good? Do you want to make a real impact in international sales? With us, you'll work hands-on on projects related to Commercial & Special Vehicles, delve into new business areas, and learn how sales decisions really work.

Your Mission (what you'll do with us):

- Contributing to and independently managing (partial) projects in the area of International Sales – Commercial & Special Vehicles
- Market Intelligence: Trend scouting, competitor and customer analysis, and evaluation of new business areas
- Competitive/Product Monitoring: Developing comparison models (products, prices, specs, TCO), including feature comparisons and deriving actionable recommendations
- Supporting Management Presentations: Storyline, visualization, data snippets – from concept to decision-making document
- Administrative/Organizational & Conceptual Support: Data maintenance, appointment/meeting preparation, documentation, playbooks & templates, KPI dashboards
- Price & offer comparisons, support with tenders (RFP/RFQ)

Your profile

- Students in the fields of Economics, Industrial Engineering, Business Administration, or similar degree program
- Confident use of common MS Office applications, especially MS Excel (VBA knowledge is an advantage)
- Initial experience with SAP is beneficial
- Fluent German language skills (spoken and written) are essential for team meetings and communication with production
- Very good English language skills (spoken and written) for international corporate communication
- Quick comprehension and strong analytical skills

About us

AUMOVIO has been operating as an independent company since the

spin off in September 2025, continuing the business of the former Continental Automotive division. The technology and electronics company offers a broad portfolio for safe, exciting, connected and autonomous mobility. This includes sensor solutions, displays, braking and comfort systems, as well as extensive expertise in software, architecture platforms, and assistance systems for software defined vehicles.

The business units that now belong to AUMOVIO generated sales of 19.6 billion euros in fiscal year 2024. The company is headquartered in Frankfurt am Main. With more than 100 locations worldwide, AUMOVIO employs around 87,000 people.
