

IT Consultant – SAP S/4 Finance Consolidation & Reporting (m/f/d)

Your tasks

Design and Implementation of Group Reporting Solutions

- Gather and analyze requirements to develop tailored concepts for the Group Reporting system in close collaboration with business and specialist departments.
- Execute hands-on implementation of system-side solutions, ensuring alignment with business needs and technical feasibility.
- Lead the strategic transition from SAP SEM-BCS to SAP S/4HANA Group Reporting, driving modernization and process optimization.

System Administration and Operational Excellence

- Configure and maintain system settings, including customizing and structural adjustments to support evolving reporting requirements.
- Monitor system performance and reporting processes during critical phases to ensure stability and accuracy.
- Ensure timely and reliable system preparation in accordance with reporting schedules and compliance standards.

Support and Knowledge Enablement within Group Finance

- Provide expert analysis and resolution of issues encountered during reporting cycles.
- Deliver personalized support and troubleshooting for end users, enhancing system usability.
- Act as a knowledge broker for current and emerging applications, fostering continuous learning and best practice sharing.

Your profile

- Strong expertise in **SAP S/4HANA Group Reporting** or **SAP SEM-BCS and SAP BW**, with a strong focus on financial consolidation and reporting.
- Solid knowledge in **SAP Business Technology Platform (BTP)** and **SAP Analytics Cloud**, enabling advanced data integration and analytics capabilities.
- Solid knowledge of IT process flows and database architecture, supporting efficient system design and implementation.
- Demonstrated project management skills, complemented by strong communication and conflict resolution abilities, fostering effective collaboration across global teams.

About us

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
