

## Treasury Analyst

### Your tasks

We are seeking a detail-oriented and analytical North America Treasury Analyst to join our treasury team in AUMOVIO Finance Center. In this role, you will be responsible for managing cash positions, analyzing financial data, and supporting treasury operations across North America entities ( Mexico & USA). You will work collaboratively with banking partners, internal stakeholders, and regional teams to ensure efficient liquidity management and financial reporting.

- Monitor and analyze daily cash positions across North American entities, ensuring optimal liquidity management.
- Prepare cash flow forecasts and variance analyses to support financial planning and decision-making.
- Manage banking relationships and coordinate with financial institutions regarding account services, payments, and liquidity solutions.
- Execute foreign exchange transactions .
- Prepare treasury reports and ensuring compliance with internal controls and regulatory requirements.
- Support the development and maintenance of treasury policies and procedures.
- Analyze and optimize payment processes and banking arrangements to improve operational efficiency.
- Assist with treasury system implementations and process improvements.
- Maintain organized documentation and records of all treasury transactions and communications.

### Your profile

- 3+ years of experience in treasury operations, cash management, or financial analysis.
- Proficiency in Microsoft Office.
- Strong knowledge of banking platforms.
- Solid understanding of cash management, liquidity management, and banking relationships.
- Experience with foreign exchange transactions .
- Excellent analytical and problem-solving skills.
- Strong attention to detail and organizational abilities.
- Ability to work independently and collaboratively in a multinational team environment.
- Professional communication skills in English & Spanish.
- Experience with SAP or similar enterprise resource planning (ERP) systems.
- Familiarity with banking regulations and financial environment.
- Bilingual proficiency in English and Spanish.
- Experience with payment systems.
