

(Senior) Manager – Tax International (m/f/d) - REF79703Y

Feladatok

We are looking for an experienced (Senior) Manager - Tax International (m/f/diverse) to join our global tax team based in Frankfurt (hybrid).

In this role, you will be responsible for managing and coordinating all tax-related matters for designated foreign subsidiaries, ensuring compliance with international tax regulations, and driving tax optimization strategies. You will work closely with management, external tax consultants, and fiscal authorities to provide guidance and lead key tax projects across multiple jurisdictions.

Key Responsibilities:

- Provide comprehensive tax guidance for designated foreign countries on corporate income tax, withholding tax and cross-border tax structuring, in close collaboration with the foreign tax functions of the AUMOVIO Group
- Close collaboration with foreign tax functions, providing ongoing support for business operations. Providing tax advice and process implementation in tax projects such as liquidations, mergers, acquisitions and restructurings of foreign subsidiaries
- Continuously monitor, analyze, develop and implement changes in German tax legislation with relevance to international tax matters (e.g. CFC rules), monitor global tax developments, including OECD initiatives (e.g. Pillar 2). Assess potential business impacts and develop recommendations to internal stakeholders
- Clearly communicate relevant tax developments, risks, and opportunities to internal stakeholders, including finance, controlling, accounting, legal, and business areas.
- Review and assist foreign tax functions regarding Tax Risk Reporting of foreign subsidiaries
- Support and steer the assurance of Pillar II compliance (Global Minimum Tax) requirements, including data collection, impact analysis, and preparation of reporting obligations for designated foreign subsidiaries
- Ensure adherence to the German Foreign Tax Act (AStG), including foreign CFC rules and outbound taxation requirements
- Oversee compliance with the DAC (European Directive on Administrative Cooperation) framework, including DAC6 (mandatory disclosure regime) and other relevant reporting obligations
- Develop and maintain internal processes to secure ongoing compliance with international tax transparency and anti-avoidance regulations
- Prepare and coordinate responses to German tax audits involving international aspects, e.g. cross-border financing
- Support foreign tax functions in tax audits by liaising with local advisors and ensuring consistent global tax positions
- Manage documentation requests and prepare supporting materials for audit defense

Rólunk

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
