

AUMOVIO star Internship_IT

Your tasks

2nd AUMOVIO star Internship_IT

Role Overview:

As an IT Specialist Intern in the AUMOVIO star Internship Program, you will support the IT Infrastructure team in automating infrastructure processes and implementing modern digitalization solutions. This role offers hands-on experience with automation technologies, infrastructure management, and digital transformation initiatives in a collaborative team environment.

Core Responsibilities:

Infrastructure Automation & Optimization

- Automate IT infrastructure tasks using scripting and RPA solutions
- Develop and maintain tools to streamline infrastructure management
- Optimize operational workflows and processes

Digitalization & System Support

- Support digitalization projects involving BI tools and AX (AI Transformation) initiatives
- Identify automation opportunities and implement solutions
- Document processes to enable knowledge sharing

What You'll Gain:

Practical experience with IT automation frameworks, infrastructure management best practices, and contemporary digitalization technologies within a dynamic, professional team setting.

Your profile

- Bachelor's or Master's in Computer Science, IT, or related field (including current students)
- Curiosity and eagerness to learn new technologies
- Proactive mindset to identify and improve existing processes
- Programming experience in JavaScript, Python, or similar languages
- Fluent in Korean

About us

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 86.000 employees in more than 100 locations worldwide.
