Non-Production Materials Procurement Intern [IDA:00069]

Feladatok

We are looking for a motivated and detail-oriented Procurement Intern to support sourcing and purchasing activities for indirect materials and services. The intern will gain hands-on exposure to strategic sourcing, supplier management, contract management and procurement operations while contributing to day-to-day purchasing activities and improvement initiatives.

Key Responsibilities

- Support the development and execution of sourcing strategies for assigned indirect material and service categories under the guidance of team members.
- Assist in RFQ/RFP processes, supplier benchmarking, market research, spend analysis, and sourcing evaluations.
- Participate in supplier selection, commercial evaluations, and negotiation preparations while learning procurement best practices.
- Support contract management activities, including reviewing commercial terms, maintaining documentation, and tracking contract milestones.
- Assist in supplier performance monitoring, supplier data management, and supplier improvement initiatives.
- Collaborate with internal stakeholders to gather requirements, support procurement projects, and ensure timely purchasing activities.
- Ensure procurement activities are conducted in accordance with company policies, procedures, and governance requirements.
- Maintain accurate procurement records and sourcing documentation
