

AUMOVIO star Internship_Quality_Passive Safety and Sensorics

Vos activités

2nd AUMOVIO star Internship_Quality (Business Area - Safety and Motion, Passive Safety and Sensorics)

We are looking for a passionate and detail-oriented intern to join our Quality Management team in the Passive Safety and Sensorics division. As a Quality Intern, you will actively support the Quality Engineers during the product development and series phase.

- Support the maintenance and update of the Project Quality Plan throughout the project lifecycle.
- Assist projects in quality-related activities during the development and launch process.
- Plan and track Product Validation (DV/PV) milestones and test progress.
- Support PPAP (Production Part Approval Process) preparation and approval in collaboration with internal and customer teams.
- Collect and share cross-divisional customer quality information to drive internal improvements.
- Support series production quality management for assigned customers.
- Participate in problem recognition, highlighting, and resolution of quality issues.
- Assist in organizing immediate containment actions, including identification of affected products/parts, follow-up work, and potential field actions.
- Provide data analysis and reporting support for quality performance indicators.
- Track corrective actions and ensure timely implementation.
- Support 8D report preparation and follow-up across all relevant plants (ID, etc.).
- Monitor and report 0-km defects, field quality issues, and warranty cost trends.

A propos de nous

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 86.000 employees in more than 100 locations worldwide.
