

Mandatory Internship - AI Strategy und Adoption - REF5151I

Your tasks

We are looking for an intern (m/f/diverse) starting in **October** to actively support our team in the area of AI Strategy and Adoption across various topics and projects. As part of a mandatory internship lasting **approximately 6 months** (a combination of a mandatory internship and a voluntary internship is also welcome), we offer you an attractive opportunity to ideally combine and expand your theoretical knowledge with different aspects of practical experience.

Your task in detail:

- Designing success metrics for integrating AI into daily workflows
- Supporting the development of an AI adoption strategy to promote AI competence across the entire workforce
- Planning, organizing, and executing AI upskilling events
- Coordinating and assisting participants during the events
- Developing and adapting content and materials
- Ensuring the technical setup and smooth execution of events, as well as documenting and evaluating the results
- Communication with internal stakeholders

Your profile

Are you wondering whether you're a good fit for the internship in AI Strategy und Adoption?

Here are the key qualifications we're looking for:

- Student in the field of Event Management, Business Administration, STEM subjects, or a comparable degree
- Confident with MS Office and good skills in the common programs
- Experience with interactive tools such as whiteboards and AI applications (e.g., LLMs, Copilot, ChatGPT)
- Initial experience in organizing and conducting events is an advantage
- Very good English skills (written and spoken) are absolutely essential
- German skills desirable

In addition to these technical qualifications, we are also looking for certain personal qualities and skills:

- Enjoyment of communication, planning, and organizational skills
- Strong communication and teamwork abilities

Please remember to upload your **current certificate of enrollment**, your **current transcript of records**, and an **excerpt from your current study regulations regarding the completion of a mandatory internship**, as these are mandatory for processing your application!

If applicable, please also submit a valid residence permit as well as your work authorization including the supplementary sheet.

About us

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
