

AUMOVIO star Internship_Project Management_Architecture and Networking Solutions

Your tasks

2nd AUMOVIO star Internship_Project Management Intern

(Business Area - Architecture and Networking Solutions)

We are seeking a detail-oriented and organized Project Management Intern to join our team. In this internship role, you will support the planning, execution, and monitoring of projects within our Architecture and Networking Solutions Korea. This is an excellent opportunity to develop your project management skill set while working with a collaborative team on meaningful initiatives in the technology sector.

- Assist in developing and maintaining project schedules, timelines, and deliverables
- Support project planning activities
- Monitor project progress and prepare status reports for stakeholders and team members
- Document project activities, decisions, and outcomes in a clear and organized manner
- Analyze project data and metrics to identify trends and areas for improvement
- Support the organization and execution of project meetings and presentations

Your profile

- Bachelor degree in any Major (including current students)
- Strong organizational and time management skills with the ability to manage multiple tasks simultaneously
- Good written and verbal communication skills in English
- Analytical mindset with strong problem-solving abilities
- Attention to detail and commitment to accuracy in documentation and reporting
- Ability to work collaboratively in a team environment and support cross-functional initiatives
- Basic understanding of project management methodologies and principles
- Proficiency in Microsoft Office (Word, Excel, PowerPoint)

Our offer

아래의 자사 이력서 양식(아우모비오스타 지원서)을 제출하여 주시기 바랍니다.

Please kindly submit your Resume with Application Form(Intern).

About us

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 86.000 employees in more than 100 locations worldwide.
