

Internship - MS Dynamics 365 Developer - REF8983C

Tus actividades

We are looking for an intern (m/f/diverse) to support our eBusiness & Digitalization team in Frankfurt am Main for a minimum duration of **six months** starting in **June 2026**. We offer you the opportunity to gain direct insight into the development and enhancement of a CRM system based on MS Dynamics 365.

Your tasks include:

- Collaborate with the CRM team to support the configuration and customization of MS Dynamics 365 solutions, with a focus on the Sales module
- Assist with implementation activities, enhancements and day-to-day support tasks
- Co-develop CRM extensions and adjustments using: JavaScript (e.g. form logic and validations), Business Rules, Workflows, Plugins, Power Apps and Power Automate
- Help design and maintain automated workflows and simple integrations
- Gain exposure to Power Platform environments, solution management and basic ALM topics
- Support Proofs of Concept (PoCs) and pilot initiatives
- Assist the Product Owner with documentation, coordination, status reporting and light research

Tu perfil

Are you wondering whether you are a good fit for the internship MS Dynamics 365 Developer? Here are some key qualifications we are looking for:

- Student of a technical or commercial course such as Business Informatics, Computer Science or a comparable field of study
- Confident handling of MS Excel, Java, Power Apps, Dataverse and Copilot/GenAI
- Very good English and basic German language skills (written and spoken)
- Ability to learn and analytical thinking
- Creativity and motivation

Before submitting your application, there are a few things to keep in mind:

To be able to process your application, we require your **current certificate of enrollment** and your **current transcript of records**, as well as, if applicable, confirmation from your university that the internship is a mandatory requirement.

If you are **not from the EU**, please also send us your **valid residence permit** and **your work permit**, including the **supplementary sheet**.

Acerca de nosotros

Since its spin-off in September 2025 AUMOVIO continues the business of the former Continental group sector Automotive as an independent company. The technology and electronics company offers a wide-ranging portfolio that makes mobility safe, exciting, connected, and autonomous. This includes sensor solutions, displays, braking and comfort systems as well as comprehensive expertise in software, architecture platforms, and assistance systems for software-defined vehicles. In the fiscal year 2024 the business areas, which now belong to AUMOVIO, generated sales of 19.6 billion Euro. The company is headquartered in Frankfurt, Germany and has about 87.000 employees in more than 100 locations worldwide.
